NFYFC Update

- On Monday 14th September, 2020, an NFYFC Competitions Steering Group Meeting has been held and the following decisions have been made:-
- Performing Arts – Pantomime - after having conversations with Committee members and County Staff – It has been decided to take out the Pantomime Competition from the 2020/21 Calendar. The decision has not been made lightly, but with all the guidelines to follow, financial implications, lower audience capacity and struggling for Theatres to accept bookings, it is not feasible for Counties to organise such a large competition for so many members at this time.
- In place of the Performing Arts Competition a 'YFC type Talent Competition' will be held – rules are being drawn up and will be circulated to Counties in due course.
